

UNIL | Université de Lausanne

## The Institute of Geography and Sustainability invites applications for the position of **First Assistant (postdoc) in Geography with a focus on territorial economy**

Entrée en fonction: 01.02.2016

Durée du contrat: 31.01.2017, 1 year, no extension

Taux d'activité: 80%

Lieu de travail: Lausanne

Référence: offre n°3718

Annonce du: 05.11.2015

### Description des tâches

The recruited person will take charge of the organization of a conference on territorial solidarity and equity in a context of strong prioritization of urban centers and contribute to the networking of the universities that are involved in urban and territorial planning education within the French speaking part of Switzerland (max. 40% of the working time). 40% (at least) of the working time will be dedicated to personal postdoctoral research.

### Profil souhaité

PhD in geography, or social sciences, with an experience of applying qualitative methods. The successful candidate will have a specialization in territorial planning in connection to economic processes (e.g. residential economy, intangible assets). Good command of English and German will be an asset.

### Dossier de candidature

The application must be sent to [christelle.monnet@unil.ch](mailto:christelle.monnet@unil.ch) and comprises:

- A letter explaining the candidate's interest in the post
- A curriculum vitae, including a publication list
- Address (incl. telephone, e-mail) of two referees (incl. the PhD supervisor)
- Copies of the degree certificates and university transcripts
- An electronic version of max. 3 research papers (publications, PhD thesis)

For further information, please contact Prof. Jean Ruegg, [jean.ruegg@unil.ch](mailto:jean.ruegg@unil.ch)

### Remarques

Seeking to promote an equitable representation of men and women among its staff, the University encourages applications from women.

### Délai de candidature

**Candidatures jusqu'au: 22.11.2015**
